Rules to keep us safe when using computers and iPads

I will only use the school computers and iPads to do the learning that my teacher has asked me to do.

I will not tell other people my computing passwords.

 I will only open and delete my own files.

I will make sure that my online comments and messages to other children and adults are kind, polite and sensible. 

I will only tag work and make comments in my own name when using .

 I will not deliberately look for, save or send anything that could be unkind or unpleasant. If I accidentally find anything like this I will tell my teacher immediately.

I will not give out my own details such as my name, phone number or home address. I will not arrange to meet someone I have met online.

 If any website asks for my location I will Block or Deny it and tell my teacher.

I will only click on an unknown link or pop up if my teacher has approved it.

I will not access any apps in the "Not Used" or "Teacher" folder when using the iPads unless my teacher tells me to.

I will be responsible for my behaviour when using technology.

I know that my use of computers and iPads can be checked and that my parent or carer contacted if my teacher is concerned about my safety online.

I agree to keep these computing rules because I know that these rules are to keep me safe.
